

Invitation

International Students Union of Norway

Fall 2007 National Assembly

Dear Local Branches,

The International Students Union of Norway will be having its **Fall 2007 National Assembly** in **Bergen, 12-14 October, 2007**. The National Assembly consists of two voting representatives from each of our eleven branches in Norway, the national board and observers from our partner organizations.

We will be discussing political issues that will be represented by ISU Norway in 2007-2008. We will discuss best practices from our branches, review lessons learned and cases won and conduct relevant training to prepare us for the year ahead. **National Elections** will be held for National President, National Vice President and National Alternate Vice President! ¹

A Time Plan and Agenda will be posted on the ISU Norway website within the next two weeks. Check www.isu-norway.no for more details.

We will have both local and national representatives from NSU and StL. Encourage your international officers from your local student democracy to attend, as they usually do ☺

In order to reduce our costs for transportation, please send the names, email addresses and birthdates of **your two representatives by 16 September** to our national secretary at nationalsecretary@isu-norway.no.

Branch reports are due by 29 September. Each branch will get 5-10 minutes to present their branch to the National Assembly. Check the ISU Norway webpage for previous reports for information and ideas.

Also due are **Participant Fees of 1000 Kr per participant per branch**, to ISU Norway account no 8200.02.19092 . State your branch name on the form when paying.²

The Bergen Branches of ISU NHH and ISU UiB will be hosting us during our stay in Bergen.

See you soon!

Eton Williams
National President

Erik Evans
National Secretary

¹ According to the ISU Norway Constitution, any international student may run for these positions.

² Housing and transportation costs are covered for two delegates per branch. This is usually the branch president and one other elected board member. If a branch wants to bring another international student, arrangements can be made with ISU National.
