B) Summary of Activities during Academic Year 2009

ISU Agder:

has been organizing Movie nights (both International and Norwegian films),

has been popularizing different activities for students (e.g. sailing club),

participated in International Week,

held board meetings on a regular basis,

has been cooperating with ESN.

C) General Assemblies

ISU Agder is having General Assembly once in every semester. This semester it was attended by approx. 40 international students, the leader of ESN Agder was present.

Major outcomes: introduction to ISU and its activities, election of the new board.

D) Social Activities

So far major social activities have been Movie Nights which are organized for both International and Norwegian students. This year we started a new option: voting for the next film. ISU Agder offers different films and before the film starts students vote for the one they want to see next week. In addition, we are looking forward to organize Torch Night Walk, Jazz Concert (international students playing) and attending Symfoniorkester this semester.

F) Comments, Evaluation and Future Improvements

Teamwork has been good but since four of five board members are new in ISU, it takes time to get acquainted with a system. We focused more on social activities than on political issues. We are still not really known among all the international students so in the future we are looking forward to popularize ISU Agder more. In addition, we are planning to organize lectures and presentations about areas students are interested in.

G) Budget

ISU Agder has applied to Frifond for 8500 NOK for its proposed activities this Academic year. This sum includes Movie Nights, concerts, Torch Night Walk, Presentations and lectures. We will still apply for additional funding for representative materials etc.
