B) Summary of Activities during Academic Year 2009

This year was full of events which were success among students:

1. Weekly coffee hour (different thematic each week);
2. International food party (about 20 countries presented their national food);
3. Trip to Kjerringøy was organized with SoB for all students.
4. Welcome party for all new-coming students;
5. International game.

C) General Assemblies

We expect our main guests (politics, Red Cross, schools) for International week in the end of October.

D) Social Activities

The most successful activity was International party. (Teachers, staff, students presented)

E) Cases, Campaigns and Student Politics

During this semester we organized weekly coffee hour (among participants we had teachers, staff, International office). Our main event during semester is International week, organized by ISU we expect a lot of guests and prepare a lot of activities.

F) Comments, Evaluation and Future Improvements

We wish that Norwegian students will be more active and can participate our events. So we tried involved school newspaper and SoB to give brief information about our activities.

G) Budget

<i>Activities, Autumn 2009</i>	<i>Expenses</i>
