

Leadership Meeting Invitation

Dear local branches of ISU Norway, partner organizations, national student organizations and local student democracies.

We are delighted to invite you to ISU Norway's Leadership Meeting 1 2018. The Leadership Meeting will be held in Stavanger from **Friday 19th October** to **Sunday 21st of October**.

ISU Norway Leadership Meeting

The Leadership Meeting is a key event in the development and strengthening of ISU. It is an occasion to gather the all international student representatives in one place to discuss, share and raise awareness of issues affecting international students studying in Norway, and to build a focused and coherent team spirit within ISU.

In addition, international student representatives exchange and share ideas on how to influence their campuses through local student democracies and how to better include international students both academically and socially. It is also an opportunity to provide workshops and training, to strengthen the leadership skills and institutional knowledge of student leaders within ISU.

The full agenda, other essential documents and the necessary practical information will be sent out shortly and can be found on this page: <http://isu-norway.no/leadership-meeting-1-2018-october-friday-19th-sunday-21st-stavanger/>

For further information please contact Rikke at nationalsecretary@isu-norway.no.

We look forward to your participation.

Yours sincerely,

Jose De Pool

Sam Davis

Almim Hossain Shuvo

National President

Union Development Officer

Political Affairs Officer
