

#ISUNA20

Dear ISU Local Branch leaders,

Like all other student organizations, the National Board has decided to cancel ISU Norway's physical National Assembly due to the COVID-19 pandemic. Instead we will be holding a digital NA that will consist of online elections for Executive Board and National Board positions and online voting for constitutional amendments. The voting will be done via email during the period of Monday 27th - Wednesday 29th of April.

All local branches of ISU Norway are to have 2 delegates sign up to vote here: <http://isu-norway.no/registration-form-for-isu-national-assembly-2020> before the **15th of April**.

You can find the practical information here <https://isu-norway.no/na-2020-national-assembly-digital-april-27-april-29/>. All remaining documents will be uploaded soon.

You will also get more information soon about the National Board elections.

We hope you are all well, and we look forward to your participation in this year's digital National Assembly.

Kind regards,

ISU National Board 2019/2020
